### A. **Summer Programs**

Guilderland will once again participate in the Capital Region BOCES regional summer school program to be held at Mohonasen H.S. Students attending summer school need to register on June 27 from 8 to 10 a.m. in the counseling center at Guilderland High School. Students can register for courses and for exams. Classes begin July 5 and end August 15. More information is available on the GHS homepage on the district's web site.

Westmere Elementary will be hosting the BOCES summer school program for students with disabilities over the summer. The extended year programs for students with disabilities will take place at Guilderland Elementary this summer.
